

NABILA HULWANA ZUHUD

Undergraduate Student in Information Systems

+62 857 4670 7251 nabila.hlwana@gmail.com [Nabila Hulwana](#) Sukoharjo, Indonesia

About me

As an Information Systems student at Universitas Duta Bangsa Surakarta, 6th semester, employee class. Focused on Data Analytics & Data Engineering and continuously improving skills in IT and web programming using Laravel, JavaScript, and SQL. With 3 years of experience as a Kindergarten Assistant Teacher and currently active as a Coding Instructor at KodeKiddo Surakarta. Proficient in data tools such as SQL, Python, ETL, Data Warehouse, PostgreSQL, Kafka, Tableau, and Power BI.

Education

Universitas Duta Bangsa Surakarta
| Undergraduate student of S1 Sistem Informasi
| 2023 - Sekarang

Pondok Pesantren Imam Bukhari
| Junior High – Senior High School
| 2016 - 2023

Experiences

Classroom Assistant Teacher
TK Islam Al Madinah Kartasura
Juni 2022 - July 2025 | Full-Time

- Designed lesson programs & learning modules aligned with the curriculum alongside the lead teacher
- Managed the classroom, daily schedules, and student progress reports, and coordinated with parents

Coding Tutor
KodeKiddo Surakarta
Oktober 2025 - Sekarang | Part-Time

- Taught coding (Scratch, Tinkercad, Arduino) to elementary and junior high school students (storytelling and game projects)
- Developed students' logical thinking & problem-solving skills

Projects (Bootcamp & Academic)

- 1. FHV Vehicle Trip Analysis – NYC (2025)**

 - Tools: SQL · Python · Tableau
 - Analysis of 600K+ Uber & Lyft trips, trip duration prediction with ML, interactive Tableau dashboard.
- 2. AI-Powered Airbnb LA Optimization**

 - Tools: IBM Granite · LangChain · Python
 - AI analysis & classification of 32K Airbnb listings; premium vs. high-volume market segmentation.
- 3. TMDB Movie Data Pipeline**

 - Tools: PySpark · dbt · Kafka · ClickHouse · Streamlit
 - End-to-end Medallion Architecture pipeline; real-time streaming; film analytics dashboard.

Sertifikat

- Data Analyst International Bootcamp — SmartPath | August 2025
- EF SET English Certificate 60/100 CEFR — EF SET | July 2025
- Data Classification & Summarization Using IBM Granite — IBM SkillsBuild | September 2026
- Data Engineering Bootcamp Batch 7 — rubythalib academy | April 2026
- Top 100 Finalist Hackathon: Retail Crisis & Recovery Visualization — DQLab | May 2026

Skills

- SQL Server, PostgreSQL, MySQL
 - Python (Pandas, Seaborn, Matplotlib)
 - Tableau, Power BI, Excel Dashboard
 - ETL, Data Warehouse, PySpark
 - Kafka, dbt, ClickHouse, MinIO
 - IBM Granite, LangChain Agent
- Flutter & Firebase
 - HTML, CSS, JavaScript, PHP
 - Scratch, Code.org, Tinkercad
 - Arduino Uno
 - Git & GitHub

Language

- Indonesia | Native
- English | B2 Intermediate
- Arabic | Intermediate
